SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, DC 20231

Dear Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98 Applicant herewith submits certain references which the Patent & Trademark Office may wish to consider in examining the above-identified application. The references are listed on the attached Form PTO-1449.

A copy of the listed references are also provided. It is noted that the German reference No. 1,009,964 is not in the English language. It is believed that the requirement for a concise explanation of relevance is satisfied since the German reference was cited in an English-language search report (see attached copy) by the European Patent Office in a counterpart International Application. (See MPEP 609). No representation is made or intended that a prior art search has been made or that no better art than that listed is available.

Please charge any fees required, or credit any overpayment, to Deposit Account No. 04-1133.

Respectfully submitted,

By:
